Dear Mr. Mills:

I wish to express my personal thanks to you as well as the appreciation of the Alcohol Program, the Office of Medical Services, and all CIA employees for your excellent discussion of alcoholism on 24 March 1981. Your presentation on the disease and your willingness to discuss your own experiences with it are evidence of your personal courage as well as your knowledge of the subject.

I am confident that your appearance greatly enhanced employee awareness of the illness and of the Agency's Alcohol Program. We are extremely grateful to you and to Mrs. Mills for giving your time to us.

Sincerely yours,

*/s/ Max Hugel*
